CarePortal

CONNECTING CHURCHES TO REAL NEEDS.

CarePortal is a Care Sharing technology that connects churches with real-time needs from local child serving professionals, helping children and families in crisis.

HOW CAREPORTAL WORKS

STEP 1
UNCOVERING NEEDS

A child-serving professional identifies a specific need affecting a local child or family.

STEP 2
SUBMITTING NEEDS

The professional confirms the need and submits it through CarePortal for community response.

STEP 3
SHARING NEEDS

CarePortal shares the need with nearby churches and community members who may be able to help.

STEP 4
MEETING NEEDS

Churches and community work together to meet the need and provide practical support.
