CARE COMMUNITIES

Care Communities are groups of volunteers from a church who intentionally walk alongside foster, adoptive, and kinship families. They provide practical support, encouragement, and friendships, helping families feel less alone and more supported in their unique journey.

WHAT CARE COMMUNITIES DO

PRACTICAL HELP
Meet real needs like meals, transportation, childcare, mentoring, and household support.

RELATIONAL SUPPORT
Build authentic relationships that encourage and strengthen families.

LONG-TERM IMPACT
Help families stay strong and connected, leading to better outcomes for children.

EVERY FAMILY MATTERS
Whether a family is fostering, adopting, or caring for a relative's child, they deserve a community that shows up.

THE IMPACT IS REAL

50%
of foster families stop fostering within one year.

90%
of families continue into year two when supported by a Care Community.

DEPLOYED ACROSS THE NATION

Care Communities are deployed through Family Advocacy Ministries in over **2,000 churches** across **over 40 states.**
